INTRODUCTION

INTRODUCTION TO THE EXECUTIVE ASSISTANT NETWORK (EAN)

14-15 March
LUNA PARK SYDNEY 2018

EAN
EXHIBITION
SERIES

EAN is the unique professional networking group with an online resource centre for senior Executive Assistants (EAs) and Personal Assistants (PAs) working for leading executives in Australia's top companies. EAN's goal is to provide its members with high quality support services, education and website based tools and to facilitate them becoming more efficient and proficient in their roles.

Founded in August 2005 with 140 handpicked members, many of whom worked with executives on the Business Council of Australia, we now have 7,000 members throughout Australia, drawn from over 2600 of the most prominent businesses in the country.

Today our selection and acceptance criteria are still as stringent, ensuring that all our members are of the desired calibre - management level EAs and PAs each capable of influencing decisions at senior management or Board level.

The EAN is the first network of its kind in Australia to solely target the successful development of PAs and EAs and is a key player in providing high level training with a focus on valuable information and resources on this ever changing role. This continuous development within the industry is enabling EAs and PAs to become a strong influence on company policy, purchasing and business decisions.

Following the great success of this program in Sydney over the last 11 years and on the back of the success of the 2017 event, we are anticipating an even bigger 12th annual Sydney Congress in 2018.

EAN is a great way to get in direct contact with quality decision makers who organise events for their teams.

Let's Go Surfing

There were good quality EAs attending - genuinely interested in our services and we got good leads we need to follow up on. Loved having the Expo in the Big Top this year.
