Australia's Largest Corporate EA & PA Conference & Exhibition

Who is EAN?

Australia's Largest EA and PA Network – Reaching over 7,500 EAs and PAs Nationally

EAN is the unique professional networking group for Senior Executive Assistants (EAs) and Personal Assistants (PAs) working for high-profile senior executives in Australia's corporate arena, helping them to become more efficient and proficient in their roles.

Founded in 2005 with 140 handpicked members, many of whom worked with executives on the Business Council of Australia, we now have over 7,500 members throughout Australia, drawn from over 3,700 of the most prominent businesses in corporate Australia.

This exhibition is held in conjunction with our renowned educational conference for EAs and with its continued success over the last 14 years, we are excited to bring this event to the 21st century.

We highly recommend the EA Network Conference as a venue to exhibit what you offer to a targeted audience. Our recent experience at the Perth Expo proved that these are friendly and well run events. Not only were the conference organisers efficient and responsive they created a warm and friendly atmosphere for both participant and stand holders.

BUT, HOW MUCH?

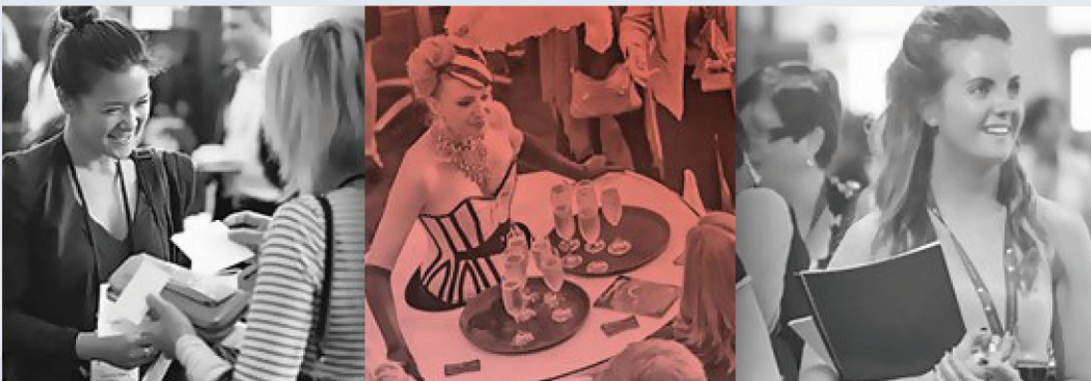

Exclusive Networking Event

Complimentary Drinks for Exhibitors to meet and mingle with EAs and PAs

At the end of day 1, Exhibitors will get to connect with Perth's high-level EAs and PAs at this complimentary, fun and engaging Cocktail Party within the Expo venue.

Networking is a powerful tool to extend your reach and to build on your ROI by establishing invaluable ongoing relationships. EAs are extremely time poor and rarely have the opportunity to find time to explore new products and service providers required in their day to day role.

This exclusive event is a golden opportunity to not only meet with Delegates in a more relaxed and social basis, but to meet additional, invitation only members who will be joining us for the networking event.
