

4 Books

You vote and read four professional or personal development books per year!

4 Meetings

Semi-structured facilitated online meetings to share insights, learning, actions and ideas drawn from your reading.

Private LinkedIn Group

Ongoing networking, development discussions in a private professional group.

Extras

Access to resources during the quarter.
Face-to-face events planned for the future.

Book Club for Professional Development

Realistic pace: Read one book per quarter

Facilitated discussion: semi-structured conversation to maximise discussion to gain and share insights!

No travel time: online book club meetings! (Face to face networking events are planned for the future)!

Minimal impact to your day: meetings scheduled at the edge of your day!

Affordable professional and personal development: Low annual fee and your choice of quarterly fee!

"One must always be careful of books," said Tessa, "and what is inside them, for words have the power to change us." - Tessa (Clockwork Angel)

Imagine what can be achieved when a diverse group of professionals come together to discuss, debate, ideate about a book they have all read.

1. Reading accountability
2. Personal & Professional Development
3. Networking & Connection
